<sup>1</sup> Surat Al-Naml 27:82

*To the one who has been silent for a long time then spoke with disbelief/worst of speech!*

*To their leader for perhaps they will return to him!*

*To the slaves of the nation, and the strangers of the sects, and the ones who abandon the Book!*

*And to every Muslim who has been confused about matters.*

*And to every Muslim who is Jealous about his religion and honor and sacred things.*

He, the Exalted, said, *{O you who have believed, fear Allah and seek the means [of nearness] to Him and strive in His cause that you may succeed}* <sup>2</sup>

And He, the Exalted, said, *{Go forth, whether light or heavy, and strive with your wealth and your lives in the cause of Allah. That is better for you, if you only knew ☞ Had it been an easy gain and a moderate trip, they would have followed you, but distant to them was the journey. And they will swear by Allah, "If we were able, we would have gone forth with you," They destroy themselves for Allah knows that indeed they are liars}* <sup>3</sup>

And He, the Exalted, said, *{And when a Surah was revealed [enjoining them] to believe in Allah and to fight with His Messenger, those of wealth among them asked your permission [to stay back] and said, "Leave us to be with them who sit [at home]."* ☞ *They were satisfied to be with those who stay behind, and their hearts were sealed over, so they do not understand ☞ But the Messenger and those who believed with him fought with their wealth and their lives. Those will have [all that is] good, and it is those who are the successful. }* <sup>4</sup>

And He, the Exalted, said, *{And strive for Allah with the striving due to Him. He has chosen you and has not placed upon you in the religion any difficulty. [It is] the religion of your father, Abraham. Allah named you "Muslims" before and in this [revelation] that the Messenger may be a witness over you and you may be witnesses over the people. So establish prayer and give Zakah and hold fast to Allah. He is your protector; and He is the best protector, and best helper.}* <sup>5</sup>

And the Messenger of Allah (sawas) said, *"There will come a time upon my nation where nothing will remain from Qur'an except its writing, and nothing will remain from Islam except its name, they will be called by it while they are the furthest of people from it. Their mosques are full while its is empty of guidance. The jurisprudents of this time are the most evil jurisprudents under the shadow of the sky. From them Fitna comes out and to them it shall return. "* <sup>6</sup>

And in Mi'raj (Ascension), The Messenger of Allah (sawas) narrates from Allah (swt), *"... I said: "My God, When shall that (meaning the rise of the Qa'im) be? So He, the Almighty, inspired to me, that shall be when the knowledge is lifted and ignorance appears and the readers increase and work decreases and destruction increases and the guiding jurisprudents become few and the traitors the jurisprudents of misguidance become many..."* <sup>7</sup>

And America is the country that fights Allah (swt) and the Supporters of Allah. And Shaytan directs the spear that he holds in his hand wherever he wants and he implants it every day into the heart of an Islamic country.

And it is America that does not accept the Supremacy of Allah in His Land

And before being the country that fights the Qur'an and the Mahdi (a.s) , America is the country that fights the Torah and Elijah (a.s) and the Gospels and Jesus (a.s) whom the Jews and Christians claim to be waiting for and supporting,

America is the iron beast which devoured and crushed all the kingdoms of the Earth like Daniel (a.s) said and predicted in the Torah

It is America that suggests democracy (i.e the Supremacy of people not the Supremacy of Allah (swt)) as a solution for rulership/judgement and they consider it the end of history and that it is the suggestion that took down all [other] solutions even that which Allah (swt) called towards regarding letting the Divine Law and the Successor of Allah in His Land rule/judge.

Allah, the Exalted, said, *{And whoever does not rule/judge by what Allah has sent down– then those are the disbelievers.}*<sup>8</sup> And, *{And whoever does not judge/rule by what Allah has sent down– then it is those who are the wrongdoers/unjust}*<sup>9</sup> And, *{And whoever does not judge/rule by what Allah has sent down– then it is those who are the transgressors.}*<sup>10</sup>

And He, the Exalted, said, *{Verily, I am making a Caliph (Successor) on Earth}*<sup>11</sup>

And He, the Exalted, said, *{Say O Allah! You are the owner of Rulership, You give Rulership to whoever You wish and You take Rulership from whoever You wish}*<sup>12</sup>

And He, the Exalted, said, *{O David, indeed We have made you a Successor upon the Earth, so judge between the people with justice}*<sup>13</sup>

And He, the Exalted, said, *{Have you not seen the assembly from the Children of Israel after [the time of] Moses when they said to a prophet of theirs, "Send to us a king, and we will fight in the way of Allah "? }*<sup>14</sup>

Al-Sadiq (a.s) said, *"...Have you not seen Allah say that it is not for you to plant/grow its trees, He means it is not for you to appoint an Imam out of your own selves and you name him the truthful according to your own desires and will. Then Al-Sadiq (a.s) said: There are three whol Allah will not*

America that presented itself as a leader to the world, finally it has achieved its dream and entered the countries of Muslims with military forces after its filthy agents paved the way for it like Saddam and Bin Laden and the traitor rulers.

*You shall find:*

Islamic leaders and intellectuals who are internally defeated in front of the American democracy, thus, nothing remains for them from Islam except its crust and the apparent, but their hidden/interior is all American.

As if Qur'an is incapable to be a constitution for the Muslims and in the Islamic countries, and as if Imam Al-Mahdi (a.s) is incapable to be a leader for the Muslims, so those people suggested a constitution that has been placed [by man] and democratic American elections, which make the likes of Clinton, who sexually assaults his secretary, reach [the position] of being the president of America, in order to rule in the Islamic countries.

*And you shall find;*

Jurisprudents who are the most evil of jurisprudents under the shadow of the sky, from them the Fitna came out and to them it shall return.

Jurisprudents who do not understand anything except that one of them wishes that he would stay alive for 1,000 years, jurisprudents who deal with America and do not find any shame in dealing with the the American suggestions, rather, one of them called for protests to demand the same American demands!! For he calls for elections and America too calls for elections!! He is a supporter of America!! However, he claims to be opposing America regarding how and when these elections should be run in order to create for himself the image of the opposer of America even though he does not utter one word by which he asks the Americans to get out of the countries of the Muslims.

Rather, he does not even call for protests calling for the departure of the forces that are occupying and conquering the countries of the Muslims!!

Rather, one of those traitor jurisprudents asked the conquering occupying forces to stay longer because the conditions in the Islamic countries are not stable and they would not be stable except by the presence of the Americans according to the opinion of the Idols who remained silent for a long time then they spoke with disbelief/the worst of speech!!

*And you shall find;*

America, the barbarians and savages, incline with every voice and do not differentiate between the stone and the jewel, and their goal from knowledge is the worldly life, and they are those who have no religion and do not have deterrent/restraints within themselves to prevent them from sinning and corruption and corrupting and accepting the evil. And religion is something on their tongue that they surround as long as they have a good life. Those are like Saddam and America and every oppressor is accepted, rather, Shaytan too is accepted as long as they eat and enjoy and are distracted by hope.

America has found the best base - which paves the way to its authority and dominion over the Islamic countries - in the traitor Jurisprudents and their helpers; the possessors of the crusts of religion but with a devilish American inner, and in the barbarians and savages.

Thus, the Islamic identity of these countries became deformed and transformed into American colonies. So by the name of Islam Islam gets stabbed, and whoever calls towards Jihad is a terrorist in the opinion of America and by a silent consent from the leaders of the silent jurisprudents who do not speak except within the boundaries that were drawn to them by their American master. And therefore, I am reminding the Muslims that were confused regarding some matters and think that obedience to the traitor jurisprudents is obedience to Allah (swt)!!!

*By the sayings of the Messenger of Allah (sawas) and the Imams (a.s):*

The Messenger of Allah (sawas) said, *"The misguiding scholars are more dangerous to you than the Dajjal, and spilling the blood of my progeny after me. I am in war with those who fight them, and I am in peace with those who are in peace with them."*<sup>16</sup>

And from them (a.s), *"The mistake of a scholar ruins worlds."*<sup>17</sup>

[And], *"The mistake of a scholar is like a ship, it sinks and drowns others with it, (the mistake of a scholar is the biggest of crimes.)"*<sup>18</sup>

[And], *"The mistake of a scholar is similar to a ship, it sinks and drowns [others]."*<sup>19</sup>

And he (sawas) said, *"Verily, there are three things that I fear that my nation after me would do, interpreting the Qur'an with a wrong interpretation and following the mistake of the scholar..."*<sup>20</sup>

Abu Baseer narrated from Al-Sadiq (a.s), *"I said to him (a.s), '{They have taken their scholars and monks as Gods without Allah}' So he (a.s) said, 'By Allah, they did not call them towards worshipping them, and if they had called them towards that they would not have responded to them. But they allowed for them that which is forbidden, and forbid that which is permissible, so they worshiped them*

Lest the Muslims free themselves from worshipping the traitor jurists and worship Allah, the One, the Conqueror, after it has been made clear for them that those silent idols do not speak, and if circumstances forced them to speak they would speak with disbelief/worst of speech.

Lest the Muslims take an honorable stance, refusing the American presence in the Islamic countries, and in a practical way not just by the tongue, after they free themselves from worshipping the idols of misguidance, the traitors.

*With this speech of mine I am addressing especially the Muslims who are jealous about their religion and honor and sacred things:*

What are you waiting for?! The Prince of the Believers (a.s) said, *“Jihad is a door that Allah has opened for the most special of His Supporters.”*

Prepare your equipment and prepare for Jihad in the way of Allah.

Even if the people and the American religious scholars tell you that America is the strongest country in the world, say to them that Allah is stronger and greater than America.

And if they say to you, you are a small and weak group, say to them, How many times has a small group defeated a large group by the permission of Allah?

And if they say to you the Americans will kill you, say to them, it is enough for us that we become like Al-Hussein (a.s) and the companions of Al-Hussein (a.s).

And if they tell you that the jurists have not called the Muslims towards Jihad, say to them, and they will never call the Muslims towards Jihad because those are the misguiding traitor scholars. Those are Shabth ibn Rab'y and Shimr ibn Thil-Jawshan and Shuraih Al-Qady in this age. Those are like the scholars of the Jews that Allah mentioned in the Qu'ran, one of them wishes to live for a 1,000 years.

And if they say to you... and if they say to you... and if they say to you...

How preposterous!! Humiliation is not for us!! Allah shall never let this happen to us and His Messenger, and the believers, and chaste and pure laps and proud souls, we would rather die in an hour and not submit to the ignobles.
