

Who Is The Greater Dajjal?

Question:

Please inform us on who is the greater Dajjal?

Answer:

In the Name of Allah, the Merciful, the Intensely Merciful,

And all praise be to Allah, Lord of the Worlds.

O Allah! Send peace upon Muhammad and the family of Muhammad, and grant us from our matter a way out and a relief.

O He, O He whom there is no other save He, send peace upon Muhammad and the family of Muhammad and support us against the disbelieving people.

It was clarified in 'The Allegories' that there are many meanings to the allegories of their (as) speech, and for each meaning there are many verifications that are applied to it in reality in accordance to the place and time.

And from these allegories which were reported from the Messenger (as), and his household (as) is the Dajjal, and they emphasized and exaggerated in their emphasis regarding the obligation of revolting against him, and fighting him, even though he owns massive material abilities, or according to what was reported from them (as), "A Mountain of fire and a Mountain of food." And I do not believe that it is hidden from the believers [who] follow the narrations which were reported from the Messenger (as) and his household (as) what the verification of their (as) speech is in these [present] days. However, I wanted to remind the one who might have been neglectful from the right or the left, or deviated from the truth which is undeniable and it is as the sun in the sky, "So remind; you are only a reminder. * You are not over them a controller. * However, he who turns away and disbelieves - * Then Allah will punish him with the greatest punishment. * Indeed, to Us is their return. * Then indeed, upon Us is their account." [88:21-26].

So is it hidden to the believers that America is the Greater verification of the Dajjal, the Messenger of Allah Muhammad (s) and the Ahlulbayt (as) have said what means, "The Dajjal shall come from the Mountain of Sanam and shall enchant/bewitch the people, with him shall be a Mountain of fire and a Mountain of food." And it was narrated from them (as) what means, "He shall come and call: come to me my supporters... I am your Greater Lord." And it is not hidden from anyone that America entered into Iraq from Kuwait through the direction of Mt. Sanam that is present in Safwan, and it is not hidden that the Mountain of fire is the massive American war machinery, and it is not hidden that the Mountain of food is the giant American economy and the American dollar, and it is not hidden that America is calling today: come to me my supporters, and opposes the Supremacy of Allah (swt), and legislates and passes the law, and wants to impose it upon the inhabitants of the Earth, for it claims that it is your Great Lord and it does not see except with one eye [which] is the eye of the devilish interest of America, and these Dajjals claim that they represent Jesus Christ (as), despite all that which they are in of corruption and perversion. So America is the Antichrist, it conquered the Earth in order to fill it with corruption, and America is the one-eyed Dajjal, "Corruption has appeared throughout the land and sea by [reason of] what the hands of people have earned." [30:41].

So is there any excuse remaining for whoever compliments and flatters America, and is there any excuse remaining for whoever does not oppose or fight America. There shall not be any person who is a friend of Imam Al-Mahdi (as), and entering in the authority of Allah (swt) unless he disbelieves in the tyrant, and today it is the Greater Dajjal and the Greater Shaytan America, "The right course has become clear from the wrong. So whoever disbelieves in Taghut and believes in Allah has grasped the most trustworthy handhold with no break in it. And Allah is Hearing and Knowing." [2:256].

May the curse of Allah (swt) be upon Shaytan and his army... And may the curse of Allah (swt) be upon the Dajjal and his army... And may the curse of Allah (swt) be upon the Greater Shaytan and his army... And may the curse of Allah (swt) be upon the Greater Dajjal and his army... And may the curse of Allah (swt) be upon the Sufyani... And may the curse of Allah be upon the Sufyani... And may the curse of Allah be upon the Sufyani and his army... And may the curse of Allah be upon whoever does not fight the Greater Dajjal.

May the curse of Allah (swt), and the curse of Muhammad (s), and the curse of Ali (as), and the curse of Fatimah (as), and the curse of the Imams and the Prophets and the Messengers, and the curse of the Righteous Angels be upon whoever does not fight the Greater Dajjal.

O Allah! Have I informed?

My Master, and my Leader Imam Muhammad ibn Al-Hassan Al-Mahdi (as), have I informed?

O Allah! Then testify/bear witness upon this Nation.
